**TURN YOUR YARD
INTO
A SHOWCASE
with
Beautiful Outdoor
Rooms
and
Entertainment Areas**

A professionally designed and installed landscape can **increase property value by 3 to 4 times** the initial investment in as little as 3 years. It will also eliminate or simplify all of your outdoor maintenance tasks.

We work with you to design outdoor spaces that serve your purposes. Your input, tastes and lifestyle are combined to design areas that work for you.

Maximize the useable space on your property and dramatically increase property value.

The **most economical** way to get a quality project is to get the job done right the first time. Instead of choosing the bargain price, have your project completed by Green Acres. We can ensure that every dollar you spend is used effectively to give you the results you desire.

Why choose Green Acres?

Entire project personally handled by Bill Garren, owner with 12 years experience.

Satisfaction guaranteed before payment is due.

Best guarantees in the industry including 5 years on all hardscapes.

We will give you the results you want the first time.

Minimize outdoor maintenance.

Dramatically increase property value.
